

## FRAMING REQUIREMENTS FOR EXHIBITIONS.

Your Committee is concerned about some unprofessional framing that has been submitted to Exhibitions and we are going to be stricter on this in future.

These are some rules that will be applied.

- All paintings under glass to be sealed with proper picture framing tape. (available at most art shops).
- Please Note:- Masking tape or packing tape on the back will not be accepted.
- No nails or screw eyes or wire.
- Must have proper blind cord stringing which is secured by "D" rings placed 5cm down from the top of painting.
- Any canvasses with stapling on the side edge have to be framed. The only unframed canvasses to be the wide ones which are painted on the edge and staples at the back.
- No repairs will be effected on anything after delivery.
