Winner: BEST EXHIBIT IN SHOW: 'THE ART SCENE' AWARD - \$1000.00

'Hotel, Central Tilba - by Steve Jannar - Oatley 101 Society of Artists

Judge's comments: "... a strong and striking painting that demands attention. The artist has created a dramatic and dynamic subject by not including the sky in the work. This allows the viewer to focus on a small panel of landscape, travelling through the buildings, road and hillside in a satisfying flow and ebb fashion. I very much liked the abstraction and suggested elements that continually engage the viewer to respond to this painting. It captures a typical representation of a country town which is uniquely Australian in both colour and feel. Strong authentic colours and a good tonal range, in addition to the geometry of the buildings make this a deserving winner."

**WINNER - Section 1: 'Delaney Kelly Golding' Award
For Oils or Acrylics painted as Oil - \$800.00**

'Coast (Beach Bag)' by Phil McKay - Randwick Art Society

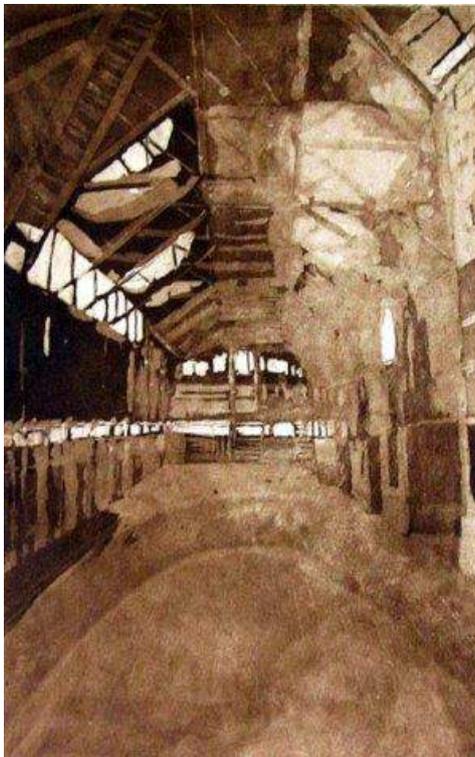

Judge's comments: "A strong painting in design with a distinctly contemporary feel; it captures a fundamental and important part of the Australian psyche. The positive and negative shapes interact nicely against each other and the painting has good tonal integrity and bold colour."

WINNER – Section 2:

**'Australian National Maritime Museum' Award \$500 - For Water Medium
'Still Life with Camellia' by Helen Dubrovich – St George Art Society**

Judge's comments: "This is a really beautiful painting with exquisite colour and design. The simplicity of the background juxtaposes nicely against the strong calligraphy and fine drawing in the lower and middle sections of the painting. The reduced colour in this painting and the pleasing shapes and decoration facilitates complete satisfaction to anyone fortunate enough to view this work. I believe this to be one of the standout paintings in the show."

**WINNER – Section 3: 'Derivan Pty Ltd' Award: Art Products to the value of
\$500.00 & 'CASS' \$250.00 for Drawing and Mixed Media – Total \$750.00
'Woolshed Reerie' by Barbara Aroney – Drummoyne Art Society**

Judge's comments: I enjoyed this work purely from the decorative perspective with its rich colour matrix and pleasing arrangement of shapes and patterns."

WINNER – Section 4:

'Delaney Kelly Golding' Award - For Abstract Painting - \$800.00

'Reflections Black Lagoon' by Joe Green – Oatley 101 Society of Artists

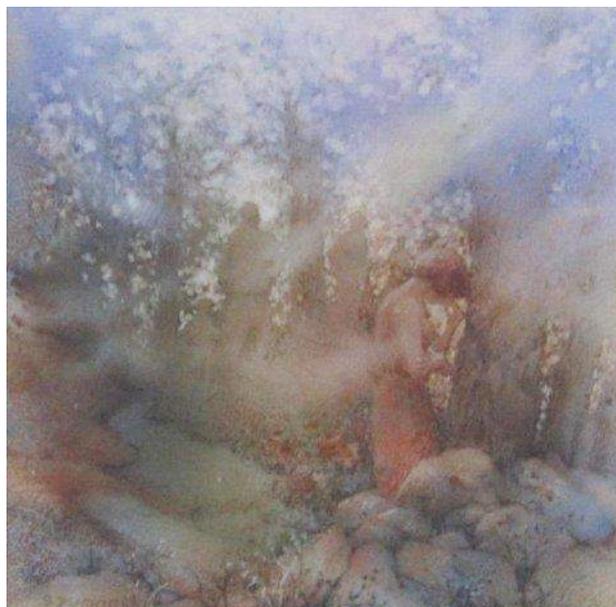

Judge's comments: "This is an extraordinary piece of art, and made more interesting because of its mono chromatic nature. I was fascinated by the artist's technique and the imagery that has been revealed and articulated through a skillful application of paint. It is a work that reveals and offers up something new each time it is viewed."

**WINNER - Section 5: 'Gold Leaf Framing' \$250.00 & 'CASS' Award \$250
For 9" X 5" Painting – Total \$500.00**

'Untitled III' by Xavier Ghazi – Drummoyne Art Society

Judge's comments: "This is a delightful impressionist landscape painting. I particularly like the colour shifts and use of palette knife in creating a painting full of energy and mystery and light."

**WINNER – Section 6: 'Jaguar Removals' Award \$300.00
For Miniature Painting**

'Lost and Found' by Madeleine Szymanski – Ku-Ring-Gai Art Society

Judge's comments: "This is a beautiful, mystical and romantic painting showing sensitivity to mood, design and strong drawing skills. I love the ethereal quality of this exceptional painting. This is undoubtedly one of the best paintings in the show and makes one realise that great things can come in small packages! "
